WHEREAS, the Court is fully familiar with the criminal proceedings that have been initiated against the defendant; and

WHEREAS, the Court has been advised that the defendant has a medical history which warrants a current mental examination and evaluation of the defendant; and

WHEREAS, counsel for the defendant has affirmatively requested that the defendant's competency be examined, and the Court having heard oral argument on September 18, 2014, in consideration of defense counsel's request for an evaluation of the defendant's competency to stand trial under 18 U.S.C. § 4241 and an evaluation as to defendant's sanity at the time of the offense under 18 U.S.C. § 4242; and

WHEREAS, the government agrees that the defendant's request for a competency examination should be granted under 18 U.S.C. § 4241 and 18 U.S.C. § 4242, it is hereby;

ORDERED, pursuant to 18 U.S.C. §§ 4241(a) and (b) that a psychiatric and/or psychological examination of the defendant be conducted and that pursuant to 18 U.S.C. § 4242(a) that the defendant undergo a psychiatric or psychological examination to determine the existence of insanity at the time of the alleged offense, and a psychiatric or psychological report be filed with the Court pursuant to 18 U.S.C. § 4247(c) containing:

It is further

ORDERED, that the United States Marshal shall take the defendant into custody pursuant to the terms of this order and shall promptly deliver her to a suitable facility to be determined by the Attorney General and the United States Marshal shall do this as quickly as possible so as to minimize the period during which the defendant must travel to, be confined in, and be returned from the facility where such examination will be conducted; and it is further
